BUBBLES

Inspired by childlike delight, carefree bliss while blowing bubbles and being mesmerized by the soothing forms and colours. An Eden of lightness and beauty, innocent and unspoiled.

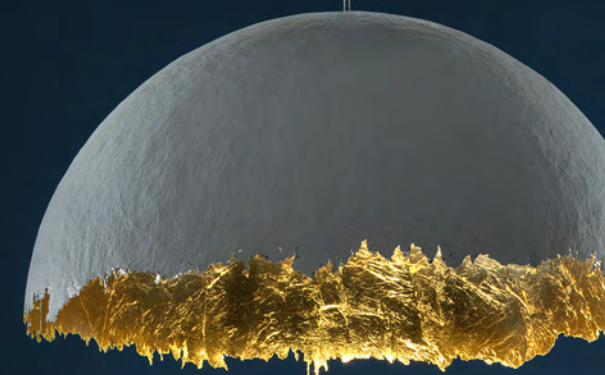

JEFFERSON

A tribute to the psychedelic music and defining imagery of the Sixties, the Bohemian crystal glass shade incorporates clear inspiration from the iconic vortex motif design to create a kaleidoscope-esque aesthetic.

POSTKRISI

A unique and handcrafted design, the spherical shape of the luminaire resembles a reclining crescent moon with a delicate balance of light and shadows to create a mesmerizing lighting experience.

SKYNEST

A combination of formal elegance and technical innovation, SKYNEST features an innovative LED strip, woven with a textile tube to create a basket-like form that is crafted yet sophisticated.

FLAMINGO

The elegant luminous silhouette with the long-legged filigree pendulums reminiscing the eponymous model from nature, flamingo birds.

KNIT

The design consists of a single knitted lycra sleeve stretched out over a seemingly flattened spheres, transforming the traditional lampshade into a contemporary look.

GLITTERS

The ornamental composition blends classical design with an optical projection merges into a "romantic functionalism".

CLOUDY

Between design and art. CLOUDY evokes a prodigious contemporary and luminous sculpture. It dominates the space with its strong installation power and a fluctuating stage presence of great impact.

CIRQUE

CIRQUE is a play between colors and forms inspired by balloons, carrousels, colors and light, which the shape is inspired by the well-known onion shaped domes.

SAYA

Inspired by the tale of a journey midway between the East and the West, where aesthetics and the memory of far-off cultures are combined with the ancient Venetian tradition of caged blown glass.

CIRC

CIRC is an indoor and outdoor lamp designed from a sphere of enveloping light, which dialogues with different wrought iron supports to configure the identity of each element of the collection.

CIRC

ASPEN

Rich in color, ASPEN is a collection featuring with a aluminum dual shade. Its matt colors remind us a strong Scandinavian inspiration.

73

With the utmost quality craftsmanship, 73 is formed by blowing liquid glass into a folded and highly heat-resistant ceramic fabric vessel.

MEDITERRANIA

Feature with soft waves of translucent ribbon evoking the gentle ebb and flow of the sea. Illuminated by a warm glow, this piece is reminiscent of beautiful Mediterranean sunrises and sunsets over the water.

PEBBLES

Just as with stones, the hand-blowing crystal components provides options for creating distinctive combinations. String the diverse colorful shapes onto its inner light source and create elegant objects that transform into artworks in any interior.

STARDUST

Inspired by large classic chandeliers, yet gains a more minimalist look by using metal without additional decorative elements.

SOP

With tapered block of cement in hexagon, the unique shape recalls the elegance of the vases and vials of the Greek and Roman period.

TREVI

TREVI features solid brass arms that provide a perfectly balanced composition to the pendant. The beautifully matt, acid-etched glass shades at the end of each machined arm, gently diffuse light to give the signature CTO ambient glow.

ALMA

A spherical luminous body is suspended as if on a trapeze for a touch of surreal irony with an interplay of geometry and balance.

CREK

Featuring a multitude of large rectangular glass panels surrounding the central brass frame this beautiful light fixture is the highlight of any room.

NABILA

A double-sided spherical bright object in borosilicate glass makes these lamps available in different compositions and a structure made by metal coated with epoxy powder enriched with brushed brass or black chrome details.

NASTRO

Designed by Studiopepe, an epoxy powder coated aluminum band structure accompanied by a cylindric weight that counterbalances its flexuosity, in a refined visual balance.

MAPLE

Like the seeds of the Maple tree, MAPLE, pendant light, expands its stems in black burnished brass, germinating with unusual and charismatic organic buds in blown glass.

AURORA

A sinuous aluminium ring circles around itself in a series of subtle waves to create AURORA's fluid form.

GALASSIA

A 1950s charm, GALASSIA combines the brass with galvanic gilding on the structure and the white triplex blown glass spheres enriching the space with a sophisticated retro touch.

AURA

Aura derives from the Greek and means breeze. The line of AURA is inspired by the idea of wind, a whirlwind emblematic of its circularity in perpetual motion.

ZEUS

The lightning bolt, light emanating from the god Zeus, which takes shape from the cut that breaks the linearity of the alabaster cylinder, inspired this series of Italian Alabaster.

VALE

For soft, ambient lighting, Vale uses a thin shade to create a prism-like effect in modern style.
